- Track Supervisor: John Kennedy
- Museum Coordinator: Janice Seymour

Meetings of the Friends of Archer Park are now normally on the fourth Tuesday of the month in the refreshment room, so the next meeting is 12:30 pm, 26 June 2018.

Coordinator's Report

I would like to personally thank the past Management Committee for their hard work over the last year, especially Dennis Sheehan. Dennis's role as President, Rollingstock Supervisor and unofficial Historian reflected his dedication to Archer Park of 25 years.

Thank you also to the new Management Committee (see list in box above) for your support over the last few months, and congratulations on your new positions as we move into the future. I know that we will continue to move forward with our various projects and continue to improve the Museum.

It is good to see that our visitor numbers were quite a lot up from April 2017 – so people are hearing about us more. Our Facebook Page is quite successful and helping these numbers, and as well this year we hosted around 500 training group attendees.

We have had 4 shifts from the QFES visiting for their Tram familiarisation and to determine their procedures in case it was to have an accident.

Our Safety Officer – Ian McCully has been very proactive not only providing reports each month to the management committee but also doing up a flyer for the noticeboard in the kitchen about possible ways to avoid accidents.

We received our big sleeper order and are planning to do a major sleeper replacement in mid-July with the assistance of Jobs Queensland workers.

We are waiting to hear back about our grant application to get power to the Camp Wagon, and about to apply for a grant for floor coverings as we continue with our Camp Wagon Project.

We will have a stall at the Rockhampton Show this year and any members who are able to volunteer for this on Wednesday, Thursday and Friday (13-15 June) please let Merrill know asap.

Anyone who has suggestions for any extra stall holders for the June Family Fun Day please let Janice know.

Our Max Solutions group re-commenced during May and we plan to have 6 workers around the station doing various work to assist us.

The Rockhampton Photography Club had around 30 members visit the station at night for a "Film Noir" night. We look forward to seeing the outcome of this interesting night.

Janice Seymour

SCHOOL HOLIDAY FUN
