

ARCHER PARK RAIL MUSEUM

Archer Park Station was opened in 1899. Enjoy the nostalgia and satisfy the curiosity within as you browse the exhibits and rolling stock associated with the railways and tramways. These items from a bygone era have been collected from a variety of sources, including private collectors, former rail workers, rail groups, Queensland Rail and the Capricorn Heritage Rail Association (now the Friends of Archer Park Inc.)

This heritage listed station is operated by the Friends of Archer Park Station & Steam Tram Museum Inc. for the Rockhampton Regional Council. We are a Non-profit Volunteer group whose philosophy is to support and grow the Museum for the benefit of the community.

Archer Park Rail Museum offers a unique experience for special events. Our venue may be hired for seminars, group functions, school and coach tours and weddings.

Add nostalgia and romance to your Wedding Day, by holding your ceremony, reception or wedding photos at Archer Park.

In addition to the Foyer and Station Platform, the air-conditioned Refreshment Room can seat 50 people for a function or up to 80 people for a seminar. There are large stainless steel serving areas (no cooking facilities), outside catering can be arranged, and a bar with fridges.

You can also hold **Birthday or Christmas celebrations** during the day or evening, or a Child's Birthday Party during opening hours, these are even better on Sundays when the only working Purrey Steam Tram in the world is operating.
