Welcome Back For 2026

We welcome all returning staff and customers to Archer Park Rail Museum after the Christmas and New Year break. The majority of staff had a quiet Christmas and New Year break – with some even heading to other places across Queensland.

2026 is going to be a packed year as we have got several events planned throughout the year, including the family fun days (which the first

one for the year is not that far away), school holidays specials and the return of the trivia night in July.

Grants

Back in late 2025, Archer Park Rail Museum put in for a grant with Queensland Rail to help restore the C17 Steam Locomotive. We regret to inform you that we were not successful in the grant application. As a result, the C17 is currently undergoing refurbishment and new photographs will be published at a later date. We will continue to search for further grants throughout 2026.

We have been informed Bayview Tower will return for more tours in 2026. The tours for Bayview will recommend the first week in March. We have other independent tours booked throughout the year including Aussie Outback Tours and Expanding Horizons.

Members News

Membership payments are now being accepted for the 2026/2027 financial year. If you haven't paid already – this is the perfect opportunity to do so. Please make sure you are financial prior to the end of the financial year on 31 March.

We wish both Jo and Michael all the best for their upcoming course at the beginning of March. Both Jo and Michael are studying for their Advanced Boiler tickets, and we hope to see them pass as they will become the newest Tram Drivers. We will let you know in our May newsletter how both Jo and Michael went.

Track & Rollingstock Report

Throughout December and into January 2026, APRM was the process of acquiring some used sleeper plates from Queensland Rail to help maintain the APRM track. We would like to thank QR for continued support to APRM. There are plans for track infrastructure work to resume soon.

As of the current edition of the newsletter, we are still waiting for the Tram to return after the annual service. We will inform everyone when the Purrey Steam Tram is back in service through our social media pages.
